CoSM Faculty Spotlight

Carroll Recognized by NASA

Dr. Ross Carroll, associate professor of physics, has been selected by the National Aeronautics and Space Administration's Jet Propulsion Laboratory to [serve as a Solar System Ambassador for 2020](#). JPL Ambassadors provide public engagement in space science and solar system exploration primarily through outreach events. Carroll, along with the Red Wolf Space Program student club, will hold a series of astronomy and astrophysics demonstrations at A-State and Northeast Arkansas.

CoSM Student Spotlight
