

Arkansas State University - Jonesboro
Degree: Bachelor of Science
Major: Computer & Information Technology
2011-2012

Students requiring developmental course work based on low entrance exam scores (ACT, SAT, ASSET, COMPASS) may not be able to complete this program of study in eight semesters. Developmental courses do not count toward total degree hours. Students having completed college level courses prior to enrollment will be assisted by their advisors in making appropriate substitutions. In most cases, general education courses may be interchanged among semesters. A minimum of 45 hours of upper division credit (3000-4000 level) is required for this degree. Mandatory state and institutional assessment exams will be required during the degree program. **Failure to participate in these required assessments may delay graduation.**
