

## ASSESSMENT WEBSITE INFORMATION

**Unit: CECO Degree Centers and Instructional Sites**  
**Chair/Director: Dr. Beverly Boals Gilbert**

**Campus: Beebe**

### **OUTCOMES:**

**Quality Advising, Student Satisfaction with Learning Experience, Student Satisfaction with Degree Center Operations, Degree Major Offerings Consistent with Student Need, and Optimal Course Delivery**

### **DATA SAY:**

**Over 90% of the students surveyed were satisfied with the *quality of advising, overall learning experience, and degree center operations*. Students' preferred method of course delivery matched offerings.**

**88% of students said they were taking the major they wanted; however, 11% of respondents would like Secondary Education offered, and 3 students would like Physical Education offered.**

**13% of students said the center needs a better internet connection.**

### **SO WHAT:**

**We are encouraged by the data; however, we would like to meet the needs of all students.**

### **HOW WE CHANGED:**

**The Dean of CECO and the Dean of the College of Education will meet with Degree Center Coordinators to celebrate successes and investigate new opportunities to meet students' needs.**

**Beginning Fall 2013, ASU Beebe will be connected to the statewide internet ARON Internet/Bandwidth provider.**

### **WHAT WE GOT:**

**Recommendations for changes will be solicited at the Degree Center Coordinators' Meeting August 6, 2013.**

**We will reassess all unmet outcomes in Spring 2014.**
