

ASU has received reports from two employees, who may have been fraudulently claimed as dependents on another person's income tax return. If you receive notice from the Internal Revenue Service or your tax provider that your information may have been inappropriately utilized in the filing of tax returns, please contact the Human Resources Department immediately at 3454. These recent reports may or may not be related to last year's tax fraud events. ASU is in contact with the Internal Revenue Service and will continue to monitor these reports and take appropriate action. Should you have any specific questions, please do not hesitate to contact with me directly.

Sincerely,
Lori
