

ASSESSMENT WEBSITE INFORMATION

College: Fine Art

Degree Program: Art BFA –Art Education

Chair/Director: Curtis Steele

DATA SAY:

The Art Department has been searching for a new Art Education faculty for three years, with adjuncts filling the position for two. A new hire will arrive Fall 2012! The BFA in Art, Art Education Emphasis students participate in BFA Review as well as an Art Education Admission Screening. Passing Praxis II test scores have declined.

SO WHAT:

Students did not have adequate training in art education concepts, methods, and/or art history and studio practice.

HOW WE CHANGED:

These issues will be addressed with steadfast management of art education curriculum and advisement beginning Fall 2012.

WHAT WE GOT:

New data collected in the third year of the new hire's tenure should reflect an improvement in Praxis II success rates.
