Earn a MINOR in International Studies!

Reasons for pursuing a Minor in International Studies

- An International Studies Minor shows prospective employers and graduate school admission officers that you have an interest and knowledge of international affairs.
- It proves that you can work in an interdisciplinary environment and are able to “put the pieces together” in our global society.
- An International Studies Minor shows that you have skill in a second language, which is definitely a plus.

A Minor in International Studies will look great next to any major on your resume!

A Minor in International Studies can give you the extra edge needed when it comes to being competitive on the job market.

Adding a Minor is easy. Just visit the Department of World Languages and we will get you set up!

Complete your International Studies Minor ABROAD!

- Arkansas State University shares partnership agreements with universities across the globe. See an advisor for preapproval to apply study abroad course work to the Minor in International Studies.
- A Minor in International Studies will likely enhance your scholarship opportunities and open your doors to world-wide travel.

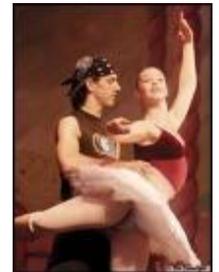

The International Studies Minor requires 18 credit hours, equivalent of six courses that you can complete locally or abroad

- A language component of two courses (total of 6 credits) from the list of approved options in Spanish, French, and German. Additional languages available through study abroad.
- An interdisciplinary component four courses (total of 12 credits/four courses) from various disciplines such as English, History, Political Science, Geography, Sociology, Philosophy, Radio/TV, Art, and International Business.

The Minor in International Studies is a very feasible option!

- You may be closer to completing your International Studies Minor requirements than you think as some of the courses in the Humanities and Social Sciences, International Business and Art that you have already taken may well count toward your International Studies Minor!

Community Service Internships locally and abroad are available to enhance your academic and professional career.

- Gain face-to-face conversation and professional experience with native speakers; travel with ASU abroad and develop global competence!
- Broaden your horizons, become multilingual, and learn about global issues and international affairs.
