

ASSESSMENT WEBSITE INFORMATION

College: Business Degree Program: Business Technology BSE
Chair/Director: Ralph Ruby

DATA SAY:

Results of the Praxis II exam required for BSE Business Technology graduates indicate, for the business education section of the exam, a pass rate of approximately 86 percent overall for the years 2008-2011. The content of this part of the exam covers accounting, finance, communications, entrepreneurship, information technology, law, international business, marketing, management and professional business education.

SO WHAT:

This is an acceptable pass rate for BSE Business Technology graduates.

HOW WE CHANGED:

Based on the results of the Praxis II exam as a measure of assessment, no change is indicated for the curriculum.

WHAT WE GOT:

The BSE faculty will continue to monitor the Praxis II results as part of the CoB overall assurance of learning process.
