

ASSESSMENT WEBSITE INFORMATION

College: Sciences and Mathematics
Chair/Director: Tom Risch

Degree Program: Biology BSE

DATA SAY:

**TOTAL SCIENCE PRAXIS II CONTENT SCORES for the years of 2006-2010:
89% of the students passed.**

SO WHAT:

Standards 1, 2, 3, 4, and 7 were not met.

HOW WE CHANGED:

Assessments were analyzed and changed to explicitly address their corresponding standard.

WHAT WE GOT:

These revisions and responses have improved the program and the assessment of the program through this process. The committee is especially proud of the new common science research project assignment in the Atmospheric Dynamics course.
