Sculpture Club at A-State

Contact: [Emma Wilborn](#) / **Advisor:** [Andrew Fernandez](#)

Purpose: SCA is dedicated to encouraging creativity and exploration of the 3D arts. SCA lets non-art majors explore sculpture without the intimidation of class. It also lets art students explore sculpture before the class or further where money and hours commitment may be a barrier. Then it becomes a place for sharing knowledge. SCA lets people bring friends and non-students who may have knowledge or ways of thinking that art people entrenched in it all may have missed. It would then create a space also for inter-generational friendships and local community. SCA would also fund-raise to buy materials, go on field trips, and other ventures that would expand student experience.
