---

Short Title: A resolution to add Student Government Association updates to both the Daily Digest and under the Student Government Association tab on the university website, along with adding the minutes to the Instagram bio which will also include the attendance to provide greater transparency to the student body of the university.

Whereas, the Student Government Association is the official voice for every student and to create positive change on campus; and

Whereas, it is the Student Government Association's role to be transparent so that our constituency knows precisely what goes on during meetings; and

Whereas, including Student Government Association updates to both the Daily Digest and under the Student Government Association tab on the university website, along with adding the minutes from the previous meeting to link tree to publish in the Instagram bio which will also include the attendance will allow for greater transparency; and

Whereas, a more transparent Student Government Association is a more effective Student Government Association; and

Whereas, this duty will fall on both the Secretary and the Public Relations Director to ensure that these transparent efforts are met.

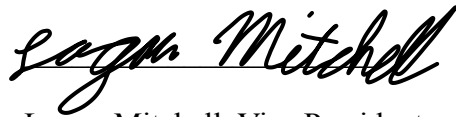

BE IT THEREFORE RESOLVED BY THE STUDENT GOVERNMENT ASSOCIATION OF  
ARKANSAS STATE UNIVERSITY THAT:

The Student Government Association will include updates in the Daily Digest and under the Student Government Association tab on the university website, along with adding the minutes from the previous meeting in the Instagram bio which will also include the attendance.

**EMERGENCY CLAUSE:**

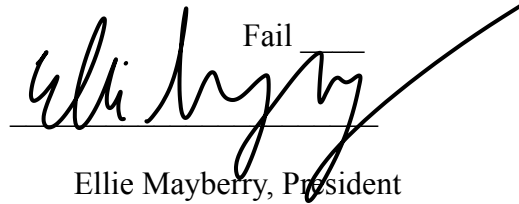

In light of the upcoming recess due to the summer term, this resolution shall be handled in an expedient manner, and be put into effect immediately upon approval of the Senate in order for the Arkansas State University Student Government Association to implement this transparent policy going into the upcoming academic year of 2021-2022.
