Manage Devices

Add Device

Use this option if you wish to add access for a different device or a headless device such as a printer or game console. Enter the device's hardware identifier (MAC address) in the field and click the Add button below.

MAC Address: Public IP

[Help me find my MAC address](#)

Active Devices

You currently have **2 active devices** being used to acquire Internet access.

Logged-in	IP address	MAC address	Hostname	Device	
06/14/2017 11:25 AM	10.10.34.34	00:00:00:00:00:00	STUAFF078298-W7	Intel Corporation	<input type="button" value="Logout"/>
06/14/2017 11:23 AM	10.10.34.35	00:00:00:00:00:00	satechSP4	Microsoft Corporation	<input type="button" value="Logout"/>

Configured Devices
