SAMPLE BIO

John Joe began his career with Arkansas Corporation in January 2002 as a Mechanical Engineer. He followed the engineering career path in the Corporation until obtaining his current position of Deputy Chief Engineer for Operations in 2018. In this role, he is responsible for overseeing the operations of the Corporation with an annual operating budget of \$300 million. John is actively involved in the National Society of Mechanical Engineers where he currently serves as the chapter president in Arkansas. He has a bachelor's degree in mechanical engineering from Arkansas State University in Jonesboro, and a master's degree in mechanical engineering from the University of Arkansas at Fayetteville. He is a Registered Professional Engineer.
