Graduate Program in Biology MA Practicum <u>INTENT</u> Form

Graduation Requirements

For successful completion of the MA in Biology (Practicum Track), the following must be met:

- 1. Completion of 36 credit hours, following core and elective courses found on the MA Biology Checksheet.
- 2. Successful completion of a comprehensive exam.
- 3. Completion of a Minor Project (Practicum I) and a Major Project (Practicum II), as approved by the advisory committee. This form outlines the intent for the Minor and Major Projects. Successful completion of those projects will result in grades being issued for BIO 6371 (Practicum I) and BIO 6372 (Practicum II), respectively.
- 4. When the above three conditions are met, the student will be eligible for graduation with the MA in Biology degree.

I hereby declare my intention to d	evelop and implement:		
The Minor Project (Practicum I):			
The Major Project (Practicum II):			
Student Name (print)	Signature
