Concerns Submitted: I have some concerns about the Graduate School recommendations, as the recommendations provided are not based on the most current version of the Graduate Bulletin. I didn't check all the sections, but

2018-2019 Graduate Bulletin:

It's not clear to me where the dissertation content is supposed to go in the current grad bulletin.

Graduate Degree Policies

DOCTORAL DEGREE GENERAL REQUIREMENTS

A doctoral program of study must include a minimum of 30 semester hours of graduate coursework. Subject to the approval of the students' advisors and the Registrar, doctoral students who have a "B" grade average or above in graduate work from another approved institution may be permitted to transfer a maximum of nine semester hours of credit. Only work with "B" or better grades earned at an accredited institution and acceptable toward a graduate degree at that institution will be considered for transfer.

TIME TO DEGREE

The time allowed for completion of the doctoral degree is eight (8) years from first enrollment in the program, exclusive of time spent in the armed forces of the United States. Graduate work completed outside of the eight-year time frame cannot be used to satisfy degree requirements. Transfer credit taken prior to admission to A-State may be included in the eight-year, time-to-degree limit. PROGRAM POLICIES Specific doctoral program policies can be found in the Graduate Bulletin sections below:

The Thesis section does not exist for EdS in the current Bulletin. The three sections there are now General Requirements
