Chairman Moore called the meeting to order at 3:00 pm.

## I. MINUTES:

Minutes from October 5, 2007 presented for approval. Approved

#### Guest

Presentation by Patrick William and Stewart McLean from the Center for Social Research on Arkansas Voters Grade Arkansas Educational Institutions. This presentation was offered as a information to the senators as a preview to the press release that had been issued and would be in the Jonesboro Sun on Sunday. The report was on a survey about perception of various colleges/universities across the state.

# **II. OLD BUSINESS**

Input on shared governance item on university calendar by Ahmad Syamil. (see attached for report) Motion was made to support the August 11, 2008 to May 11, 2009 calendar as proposed by Lynetta Cooksey. Discussion followed with concerns of school starting one week earlier then usual and students and faculty with school age children and how to accommodate them. Further discussion followed as to the need of a fall break so late in the semester and the returning to school for one week only. Some senators would like just a day or two for thanksgiving and others suggested if a fall break was necessary shouldn't it be at midterm time. One suggestion was a midterm break for a few days and a few days at Thanksgiving totaling 5 days off. Vote on motion 12 For; 9 Against; 4 Abstained
